PROFILE

I'm a passionate, self-devoted, and dedicated individual with excellent professional skills that helps me to work effectively & efficiently. Moreover, I'm a highly competent, motivated, and quick learner who consistently exceeds expectations.

Being an avid and creative technologist with a vast experience in website design and frontend web development, I undertake challenging opportunities where I can utilize and enhance my skills.

Expertise in WordPress (WP) website development and customization, strong UI/UX designing technical skills, and rich professional experience in HTML5, CSS, Bootstrap, and SEO.
